

TERRAVERITAS CAPITAL PARTNERS LLC

Capability Statement — Fasteners, Hardware & MRO Supply for Government Buyers

UEI: J18QYDMFFEN7 | CAGE/NCAGE: 193K5 | SDVOSB • WOSB • VOSB (Active)

CORE CAPABILITIES

TerraVeritas sources and supplies fasteners, hardware, and MRO items to government buyers, fulfilled through a vetted network of preferred vendors rather than warehoused inventory.

- Bolts, nuts, and screws — all grades and drive types
- Washers and rivets
- General industrial hardware and fittings
- MRO (Maintenance, Repair & Operations) supplies
- Additional hardware items sourced on request (NSN or spec sheet)

DIFFERENTIATORS

- **Fast turnaround** — quotes and fulfillment move quickly without waiting on a single warehouse
- **Growing vendor network** — multiple sourcing paths reduce stockouts and expand what we can find
- **Competitive pricing** — lean overhead keeps quotes sharp against larger primes

NAICS CODES

423840 — Industrial Supplies Merchant Wholesalers

423710 — Hardware Merchant Wholesalers

Confirm against current SAM.gov registration before distribution.
